

## PRODUCT OVERVIEW

The Dymo S0722530 Multi-purpose Label has a non-permanent adhesive backing that can be removed easily from the applied surface. The ideal solution for a variety of labeling needs, Dymo LW multi-purpose labels makes office organization easy. These labels print vivid black-on-white lettering through a thermal transfer process that won't smudge or smear. Keep everything clearly identified and organized with Dymo labels. The Dymo LabelWriter Multi-purpose Labels provide stylish, custom labels with a size of 13mm x 25mm that is ideal for file management and organization in your home or office. Packaged with one roll of 1000 labels meaning you have a cost-effective solution to your labeling needs.

- Direct thermal printing process, so there is no need for messy, expensive ink or toner cartridges.
