

The **Epson LW-K400** is a versatile and feature-packed flagship handheld label maker with all-new productivity features and a very low total cost of ownership. This lightweight device with a built-in keyboard with extra-large fonts, new symbols and upgraded templates make labels easier and more economical for offices and retailers, electricians, AV installers, and warehouse and asset managers.

A bright LCD screen and built-in keyboard makes text entry easy in any lighting conditions. Extra large fonts are available, though text can also be automatically tailored to fit the desired size of label. The wide range of LK tapes available includes magnetic, heat resistant, glow in the dark, reflective, iron-on, and heat-shrink tube (HST). The LW-K400 also includes new satin ribbon templates and improved cable flag label designs.
