

Epson GT-20000N Pro

Fast A3 business scanner

Give your business the extra flexibility of A3 scanning with the Epson GT-20000N Pro. The 100 page auto document feeder works for you at up to 23 ppm and even scans both sides of the page. Share this high performance across your office and increase productivity with built-in networking. Now you can print, share and archive in a bigger way.

High performance scanning

Transform your office documents with fast, high quality scanning. From text to photos and from one-off pages to multi-page documents, make the most of your originals.

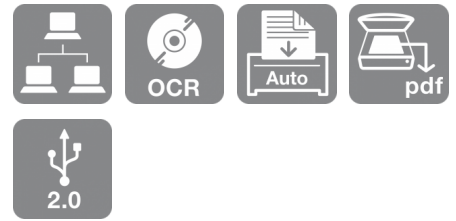

Free up your time

Digitise multiple pages quickly with the 100 page auto document feeder at up to 23 ppm mono and 15 ppm colour, leaving you to get on with other jobs. The duplex feature means you can even scan double-sided originals.

Share with the office

Everyone can access the Epson GT-20000N Pro on your network to make a centralised scanning resource. With TWAIN and ISIS driver support it also fits into your office document management system.
