

# Epson TM-T88IV Series

Devote more time to customer service by trusting your point of service to this world leading thermal receipt printer

Epson TM-T88IV

## Enhanced customer service

Designed specifically for high-volume sales environments, the thermal TM-T88IV offers 25% faster printing than its predecessor, a redesigned case, two-colour capability and new easy-to-use features. With its 200mm per second print speed, enhanced graphic capability and increased user memory, the TM-T88IV delivers ultra-fast results. Unlike other printers, it prints text, barcodes and graphics at the same fast speed to deliver intelligent receipts with customer impact whilst helping to increase transaction speed.

## Easy-to-use

The TM-T88IV features easy drop-in paper roll loading, autocutter, full auto status back reporting, enhanced cable management system, optional external power supply mounting, maintenance counter and optional buzzer.

## Compact, robust and reliable

This printer's small footprint and re-designed case makes it ideal for all demanding retail and hospitality environments. It can also be wall mounted using an optional bracket to further save space. The TM-T88IV benefits from lower power consumption and offers increased reliability with a MCBF of 52 million lines, a MTBF of 360,000 hours and an autocutter life of 1.5 million cuts.

## Versatile and adaptable

The TM-T88IV includes a range of high-speed interfaces such as USB 2 and Powered USB, Ethernet, serial and parallel. It also includes new OPoS, Java and Win APD drivers for seamless integration with existing systems.
