Compact size machine with professional quality output

Designed to deliver quality output in a business environment, the Ricoh SP 150SU and SP 150SUw are in slim and compact size that makes them a perfect and stylish addition to any office. A range of enhanced features support optimum productivity in the office, including a print speed of 22ppm, mono copy and colour-scan capabilities, as well as 128MB of memory. The WiFi enabled model SP 150SUw allows you to connect directly to the printer via a smart device. So simply choose the device that suits your needs and enjoy its reliability and intuitive operation.

• Compact and stylish design

• Efficient and affordable printing

• Reliable straight path paper operation

• User-friendly Virtual Operation Panel

• Offers excellent value for money

Reliable operation. Seamless design.

Easy to install. Simple to operate.

The perfect devices for getting the job done, there are no complicated set-ups to fiddle with, and it's easy to follow the simple installation process. So you can get on with doing what you do best, and leave all the printing tasks to the latest addition to your home or small office. In fact, everyday operation is so intuitive that various operations can be completed via the Virtual Operation Panel on your PC or smart device.

A valuable asset. That offers real value.

All-In-One cartridge is our integrated solution for small offices and home offices alike, and this benefits you by enabling the one-time replacement of all critical parts. There's no separate drum or toner, all you need to do is replace the empty cartridge by inserting/ clicking the new All-In-One cartridge into the mainframe. It's that simple.

Small stature. Big output.

Thanks to their sleek, modern design, there's no need to be concerned about space – as their small footprint means they can be located almost anywhere. But their small stature doesn't mean they're not packed full of features including WiFi capability on SP 150SUw, as well as the benefits of the Virtual Operation Panel, where you can easily print, copy and scan – and change settings and resolutions.

Reliable and Affordable.

With small but significant innovations like a short paper path, these printers help your office or home become more productive. Simple, accessible functions mean they print without fuss, creating an environment where no matter what or when you want to print, your workflow is always seamless.

RICOH SP 150SU / SP 150SUw

MAIN SPECIFICATIONS
