IRIScan™ Book 5 Wifi

You slide, it scans.

IRIScan™ Book 5 Wifi is a portable scanner that allows you to scan magazines pages, books pages or letter & A4 documents such as invoices, contracts or even your favorite recipes. All this without having to rip pages off. It's the world's fastest portable autonomous scanner with down to 1 sec. scan per document. Simply roll your way across the document, and your scan will be saved automatically into the provided MicroSD™ card and ready to be transferred into your PC or Mac. Thanks to its Wifi connection you can also directly scan, save and share your documents on your Android and ios devices with the dedicated "Instant Result Wifi apps".

Once back at home or in the office, the scanned documents are automatically turned into editable documents by IRIS' flagship OCR software Readiris™ Pro.
