Improve document workflow processes with this reliable A3 production scanner

The Epson WorkForce DS-70000 offers reliable, high-quality document capture, conversion and distribution into document management systems. This A3 document scanner is ideal for companies with heavy scanning needs.

Designed to fit into complex IT systems effortlessly, this high-performance device can handle large batches of documents in a single go, quickly and efficiently. With a scanning speed up to 70ppm/140ipm, this production scanner ensures heavy duty scanning jobs are performed effortlessly. This scanner provides fast and trouble-free scanning due to a 200 A3-page ADF, one-pass duplex scanning, and Double Feed Detection.

Document Capture Pro makes it easy to integrate this scanner into your document management system, speeding up workflow and enabling users to capture, convert and distribute scanned information in virtually any document repository or document management system.

This scanner and its features can be shared between multiple users using the optional Network Interface Panel. Combined with Document Capture Pro solutions, the Network Interface Panel allows users to benefit from Push Scan features and customise 'scan to' job functions, such as 'scan to email' or 'scan to Microsoft SharePoint®', among others*2. These features enable complicated tasks to be carried out effortlessly, increasing users' acceptance and eliminating training requirements.

Epson ReadyScan LED technology, combined with an ENERGY STAR qualification*1, creates an environmentally friendly device.
