

IRIScan™ Desk 5

Your documents in a blink!

Scan any type of document or books - Contracts, invoices, receipts, bills, plans, newspapers, magazines without cutting or damaging them!

This document camera scanner will help you save time and effort, and make it an easy job by scanning not only books or magazines but all types of content restrained in binders, spirals or files. Just flip the page and scan with the automatic page detection function.

Auto straighten & finger removal feature: Simply lay the book under the camera, open and hold down book edges with your fingertips. The page will be flattened while recognizing and cropping your fingers from the final result. Your file is perfectly straight and finger-free every time.

IRIScan Desk software also integrates a powerful OCR engine which converts scanned documents into searchable PDF and editable Texts, Word, Excel formats meaning you won't need to do long and boring retyping anymore!

Discover a new approach to the digitization of documents and books!

Key features

- **Truly portable design:** Lightweight and with a flexible arm design it makes it ideal for use in home/office or while traveling
- **USB Powered** Plug and play, no need for external power adapter.
- **One click scanning:** It just takes a few seconds to complete the scanning process.
- **Self timer shooter:** Automatically scan after setting the shooting interval time to 3/5 or 7 seconds. It's a real time saver for scanning larger volumes of files and documents.
- **Automatic detection** of documents: just place any document on the scanning mat and it will be automatically detected and cropped.
- **Digitize Books** in a blink and export to an .Epub or .PDF format before reading them directly in your favorite electronic reader:
 - Auto page-turn detection sensor
 - Book curve image-flattening technology
 - Erase finger from image function
 - Front and back cover detection
- **Exceptional Image Quality** capture tiny details and the smallest text from any paper materials
- **Advanced image processing**
 - Automatic De-skewing and Cropping
 - Automatic edge filling of damaged document

Quick reference guide

Product name	IRIScan™ Desk 5
SKU	459524
EAN code	5420079900820
UPC-A code	765010744985
Custom code	847190

Box Information	
Box Size (H x L x D)	14x 40 x14 cm (5.5 x 15.74 x5.5 in)
Box Weight	Around 1,37 kg (3.02 lbs)
Box languages	Arabic, Dutch, English, French, German, Italian, Portuguese, Russian, Spanish
Box content	Camera Scanner • USB cable • ScanPad • Getting started guide
Scanner specifications	
Scanning technology	8.0-Megapixel CMOS Sensor
Max resolution	3264 x 2448 pixels
Document size	A4 (297 x 210mm / Landscape)
Scanning speed	1,5 seconds per page in color mode 30PPM
Built-in LED Lights	4pcs
Output resolution	300 DPI
Output level	Color / Black & White / Grayscale
Interface/drivers	USB 2.0 Type B x 1 (For PC Connection) USB 2.0 Type-A x 1 (For USB Extension)
Power supply	5V by USB powered
Output formats	Document: JPG, PDF (Image), PDF (Searchable), PDF (Txt), Word, Txt, Excel, E-book: EPUB
Dimensions (H x L x D)	Folded size: 267 (H) x 85 (W) x 75 (D) mm/(10.5 x 3.34 x 2.95 in) Working size: 267 (H) x 85 (W) x 221 (D) mm/(10.5 x 3.34 x 8.71 in)
Weight	700 gr/1,71lbs
Recommended daily scanning volume	Up to 500 pages daily

Minimum requirements

Software suite for Windows®

- CPU: Intel® Core 2 Duo or higher
- Graphical Card: Intel® Standard Graphics or higher Graphics cards with 512 VRAM
- Ram memory: 2GB
- Hard disk space: 2 GB
- USB: USB2.0 Port
- Windows® Operating System: Windows® 7, 8,10
