MP 2014D

While compact the MP 2014D provides you with a hard working A3 black and white MFP with the functionality to meet the document imaging needs of a demanding office environment. The economical initial cost and highly competitive operating expenses gives you a low Total Cost of Ownership. The comprehensive feature set is packed with advanced functionality to improve business efficiency, saving you time and cutting costs.

Features and benefits

Flexible paper handling provides you with 250 sheets of paper up to A3 in size in the main drawer and a further 100 sheets of A4 paper in the bypass tray. And the optional transparent cover allows you to see how much paper is left in the bypass tray and protects it from dust. To reduce your energy costs an Energy Saving Key puts your MP 2014D instantly into sleep-mode, at the touch of a button!
